Laloo's Goat's Milk Ice Cream

A former advertising executive and film producer in Hollywood, Laura Howard founded Laloo's Goat's Milk Ice Cream Company in the fall of 2004. Her base of operations is a three-acre farm in Petaluma, where she lives with two horses, a goat, a cat and a chicken.

To the best of anyone's knowledge, Howard is the only person in the world making ice cream from goat's milk.

Former ad executive and Hollywood film producer Laura Howard is the owner of Laloo's Goat's Milk Ice Cream Company.
